

LENOVO P4 Tower 750W AMD Ryzen 5 PRO 9655 32GB 1TB UMA W11P

Model: 30KN000FMH

Manufacturer: LENOVO

Product Code: 1087883

R57,017

The Lenovo ThinkStation P4 is engineered to deliver performance and reliability for demanding tasks. Featuring a powerful Ryzen 5 Pro processor with a clock speed of 3.9 GHz, its six-core architecture efficiently handles multitasking, ensuring efficient workflow without interruptions. With 32 GB of DDR5 RAM, applications run smoothly, providing the speed and responsiveness professionals require for resource-intensive applications.

Storage solutions are equipped to manage extensive data with a 1 TB PCI Express SSD, enhancing loading times and overall system performance. The tower form factor allows for easy upgrades, with multiple expansion bays and slots to accommodate future hardware needs. Connectivity options are plentiful, including USB-C, USB 3.2, HDMI, and DisplayPort, allowing seamless integration with various devices and peripherals, making it ideal for a comprehensive workstation setup.
