

LENOVO P4 Tower 1100W AMD Ryzen 7 PRO 9755 32GB 1TB UMA W11P

Model: 30KN000XMH

Manufacturer: LENOVO

Product Code: 1087884

R78,518

The Lenovo ThinkStation P4 is designed for professionals seeking reliability and productivity in a modern workstation. Equipped with an AMD Ryzen 7 Pro processor, this system offers substantial computing power, suitable for demanding applications. Its dual-channel DDR5 SDRAM ensures efficient memory handling and allows for seamless multitasking. With an integrated audio codec chip for high-definition audio output, users can expect a satisfying audio experience. The workstation is built in a tower chassis, featuring multiple expansion bays and slots for future upgrades, ensuring long-term usability and adaptability to evolving needs. For enhanced security and performance, the Lenovo ThinkStation P4 comes with TCG Opal Encryption for its SSD and a discrete Trusted Platform Module (TPM 2.0) security chip. Its wide range of connectivity options, including USB-C, HDMI, and DisplayPort, allows easy integration with various peripherals. With a focus on sustainability, this workstation has a relatively low carbon footprint, reflecting Lenovo's commitment to eco-friendly technology. Overall, the Lenovo ThinkStation P4 is well-suited to meet the demands of today's professionals.
