

SANDISK 320 SATA III SSD 500GB 2.5inch Read speeds up to 545MB/s

Model: SDSS31500GBB-000G0

Manufacturer: SANDISK

EAN: 619659231873

Product Code: 1088782

R3,007

The SanDisk 320 500 GB internal hard drive features a compact 2.5" form factor, making it an ideal choice for laptops and small form factor systems. Engineered with 3D NAND technology and SLC cache, this solid-state drive offers performance with a data transfer rate of 600 MBps, ensuring quick access to your data. With a range of operating temperatures, from 0°C to 70°C, and storage temperatures from -55°C to 85°C, this drive is designed to withstand varying environmental conditions, making it suitable for diverse applications.

The drive also boasts a robust shock tolerance of up to 1500 g and can withstand vibrations during operation, ensuring reliability and data protection. With a power consumption of only 56 mW on average, it provides an energy-efficient solution for users seeking to enhance storage without compromising on performance. The SanDisk 320 is compliant with various standards, ensuring quality and safety for users across multiple regions.
