

SANDISK 320 SATA III SSD 1TB 2.5inch Read speeds up to 545MB/s

Model: SDSS31100TBB-000G0

Manufacturer: SANDISK

EAN: 619659231880

Product Code: 1088783

R5,063

The SanDisk 1 TB internal hard drive is designed to deliver robust performance for various computing needs. Featuring a 2.5" form factor and utilizing 3D NAND technology, this solid-state drive ensures data transfer rates of up to 600 MBps. With a focus on reliability, it provides shock and vibration tolerance, making it suitable for a wide range of environments. This drive performs effectively in temperatures ranging from 0°C to 70°C and has a minimal storage temperature tolerance that can withstand as low as -55°C. With these characteristics, it offers a reliable storage solution for users seeking efficiency and durability in their devices.
