SANDISK 520 SATA III SSD 500GB 2.5inch Read speeds up to 560MB/s

Model: SDSS51500GAB-000G0

Manufacturer: SANDISK

EAN: 619659231781

Product Code: 1088785

R3,121

The SanDisk 520 internal hard drive offers a reliable and efficient solution for your storage needs with a capacity of 500 GB. Utilizing advanced 3D NAND technology and SLC cache, this solid-state drive ensures faster data access and transfer rates of up to 6 GBps. Its internal data rate allows for quick read speeds of 560 MBps and write speeds of 510 MBps, making it a choice for both everyday users and professionals who require swift performance.

Designed for a variety of operating conditions, the SanDisk 520 operates effectively in temperatures ranging from 0°C to 70°C. This drive boasts an endurance of 300 TB, making it suitable for extensive use. Additionally, its durable construction can withstand high shock and vibration tolerances, ensuring data integrity even in challenging environments. The drive is compatible with the Serial ATA-600 interface, ensuring seamless integration with a wide range of devices.
