

SANDISK 520 SATA III SSD 2TB 2.5inch Read speeds up to 560MB/s

Model: SDSS51200TAB-000G0

Manufacturer: SANDISK

EAN: 619659231767

Product Code: 1088787

R9,122

The SanDisk 520 internal hard drive delivers storage solutions with a capacity of 2 TB, making it suitable for various data-intensive applications. With 3D NAND technology and SLC cache, this solid-state drive offers performance for faster data processing. It ensures a reliable operating range with a minimum operating temperature of 0°C and a maximum of 70°C, accommodating diverse environments. Thanks to its Serial ATA-600 interface, users can benefit from data transfer rates up to 6 GBps, along with an internal data rate of 560 MBps for read and 510 MBps for write operations, which accelerates file access and storage tasks. Furthermore, the durability of the drive is highlighted by an SSD endurance of 700 TB, ensuring longevity and consistent performance over time.
