

SANDISK 520 SATA III SSD 4TB 2.5inch Read speeds up to 560MB/s

Model: SDSS51400TAB-000G0

Manufacturer: SANDISK

EAN: 619659231750

Product Code: 1088788

R14,920

The SanDisk 520 internal hard drive combines reliable performance with a substantial storage capacity of 4 TB, making it an ideal choice for users looking to upgrade their systems. With a 2.5" form factor, this solid-state drive is built to fit seamlessly into various setups. It offers a data transfer rate of up to 6 GBps and an internal data rate of 560 MBps, ensuring quick access to files and smooth multitasking experiences.

Featuring 3D NAND technology and SLC cache, the drive delivers IOPS performance with 85000 IOPS for random reads and 76000 IOPS for random writes. Its endurance is rated at 1000 TB, providing peace of mind for heavy usage scenarios. The rugged design allows for operation in temperatures ranging from 0°C to 70°C and provides strong resistance to shock and vibration, making it suitable for diverse environments.
