

LOGITECH MX Anywhere 3S for Mac - Space Grey

Model: 910-006947

Manufacturer: LOGITECH

EAN: 5099206111738

Product Code: 1088872

R2,490

Discover the Logitech Master Series MX Anywhere 3S for Mac, a mouse designed to deliver performance and convenience for Mac users on-the-go. With its 500 mAh lithium polymer battery, it offers long-lasting power, ensuring you're always ready to work. The mouse's 8000 DPI movement resolution and real-time sensitivity switching provide precise control, making every task smoother and more efficient.

The MX Anywhere 3S for Mac stands out with its MagSpeed wheel and Quiet Clicks technology, offering a silent yet powerful scrolling experience. Its wireless connectivity via Bluetooth eliminates the clutter of cables, providing a clean and organized workspace. Additionally, this mouse is environmentally friendly, made from recycled post-consumer plastic, making it a choice that benefits both the user and the planet.
