users to tackle demanding applications without lag.

Audio quality is enhanced with Harman audio technology and Nahimic audio capabilities, ensuring an immersive sound experience whether gaming or streaming. The dual array microphone and stereo speakers provide clear audio input and output. The lightweight and durable design, featuring a combination of aluminum and polycarbonate ABS, makes it easy to carry, while the backlit keyboard with RGB features adds a stylish touch. With extensive connectivity options, including USB4 and HDMI, the Lenovo Legion 5 is ready to meet all user needs, whether for work or play.
