The audio capabilities are powered by Harman audio technology and Nahimic audio, delivering an immersive sound experience through stereo speakers and a dual-array microphone. For video calls or streaming, the 5-megapixel webcam with an e-camera shutter provides clarity and privacy. The sleek aluminum and polycarbonate ABS casing enhances durability and adds elegance, making it suitable for both gaming and professional environments. Discover the power of the Intel Core Ultra 7 processor and DDR5 RAM, delivering fast performance for any application. This notebook is a choice for gamers and content creators alike.
