Experience immersive sound with the Lenovo Legion H410 headset designed for gamers and multimedia enthusiasts. The full-size closed ear cups provide excellent noise isolation, while the high-quality microphone ensures clear communication during gameplay. Wireless connectivity options through Bluetooth 5.2 and 2.4 GHz radio frequency deliver stable audio with a maximum operating distance of 12 m, allowing freedom of movement. Rechargeable with a capacity of 500 mAh, the headset supports extended gaming sessions without interruptions.
