R5,484

The Jabra Evolve3 65 Flex MS is designed to enhance communication and productivity with its versatile features tailored for professionals. Equipped with Active Noise Cancellation technology, it ensures a distraction-free environment, making it an ideal choice for both office and remote work. The lightweight and foldable design promotes portability, and the adjustable headband ensures a comfortable fit for extended use.

Featuring Bluetooth wireless connectivity and USB-C interface, the headset offers seamless integration with computers and mobile devices. The binaural on-ear headphones support stereo sound output, providing clear audio during calls and media playback. With compatibility for major communication software like Microsoft Teams, Zoom, and Google Meet, the Jabra Evolve3 65 Flex MS is a reliable tool for all communication needs.
