The Perfect Balance of Protection and Design

A durable structure that protects your device, combined with a refined, modern design. Protection is essential, style makes it complete.

Just Place and Charge

No cables, no hassle? Just place and charge. A smarter, more convenient everyday solution.

Hybrid Shield, Magnetic Versatility

Dual-layer shell wraps around the Galaxy Z Fold8 unique shape. Reinforced corners guard the hinge, while the textured grip feels secure in your hand. Magnets built in. Protection built up.
