Mini Keyboard including PS/2 adapter

With its compact size and flexible design, this keyboard is the perfect choice for limited spaces. It can be used in POS systems, receptionists' areas, training sessions and conference rooms.

Compact Size

The mini keyboard is the perfect size for cramped spaces, it still offers all of your favorite features. Its ergonomic design makes typing easy and comfortable no matter where you are or how much time has passed since last night!

SoftSkin Coating

Modern design in an elegant, sleek finish is always prone to showing off its beauty with every subtle touch.
