

TRANSCEND 1TB M.2 2242 SSD SATA3 B+M Key TLC

Model: TS1TMTS430S

Manufacturer: TRANSCEND

EAN: 760557859154

Product Code: 1108023

R10,450

The Transcend 430S solid state drive combines high-capacity storage, superior performance, and robust reliability to meet the demands of modern computing. With a 1 TB capacity, it offers ample space for your files, applications, and multimedia. The drive boasts an impressive data transfer rate of 600 MBps, enabling quick access to your data when you need it. Advanced features such as 3D NAND technology, LDPC error correction, and Error Correction Code (ECC) ensure your data is stored securely and accessed reliably. The Transcend 430S is designed for efficiency, with features like DevSleep mode and DDR3 DRAM Cache reducing power consumption. Its compact M.2 2242 form factor makes it compatible with a wide range of devices, while compliance with multiple standards ensures a reliable operation. Whether you're upgrading your personal computer or enhancing a professional workstation, the Transcend 430S offers the performance and reliability you need.

Product Description: Transcend 430S - SSD - 1 TB - SATA 6Gb/s | Type: Solid state drive - internal |

Capacity: 1 TB | Form Factor: M.2 2242 | Interface: SATA 6Gb/s | Data Transfer Rate: 600 MBps |

Features: 3D NAND Technology, LDPC error correction, RAID Engine, DDR3 DRAM Cache, Error

Correction Code (ECC), Wear Leveling Support, Native Command Queuing (NCQ), TRIM support,
