

UBIQUITI UNAS- PRO-EU UNIFI DRIVE MANAGED 2U NAS 7x HDD slots

Model: UNAS-PRO

Manufacturer: UBIQUITI NETWORKS

EAN: 810010079251

Product Code: 1109692

R14,373

The Ubiquiti UniFi UNAS Pro is a network-attached storage (NAS) server designed for seamless operation and reliability. Featuring a built-in 1.3" touch screen display, users can easily navigate through the system for efficient management. With the capability to support up to 7 hot-swap drives in 2.5" or 3.5" form factors, this device ensures scalable storage solutions tailored to various needs. Engineered to withstand demanding environments, the design accommodates a wide operational temperature range from -5°C to 40°C and a humidity range of 5% to 95% (non-condensing). Enhanced networking capabilities include support for Ethernet 1000Base-T and 10Gb connectivity, ensuring high-speed data transfer. With its solid rack-mountable design and reliable construction using SGCC steel, it combines durability with efficient storage solutions for modern network requirements.
