

TOSHIBA MN11ACA16TS INTERNAL DISK 3.5inch 16TB NAS N300 7200RPM 1024MB

Model: MN11ACA16TS

Manufacturer: TOSHIBA EUROPE

EAN: 4260557513767

Product Code: 1112458

R13,826

The Toshiba N300 NAS hard drive offers a storage capacity of 16 TB, designed for 24x7 continuous operation. With a spindle speed of 7200 rpm, this internal hard drive delivers a data transfer rate of up to 600 MBps, ensuring efficient performance for demanding tasks. Engineered for reliability, it features an advanced format of 512e and is equipped with a Rotational Vibration (RV) sensor and shock sensor for durability. The Toshiba N300 is suitable for diverse environments, operating in temperatures ranging from 5°C to 60°C and withstanding storage conditions from -40°C to 70°C. Built to perform under heavy workloads of up to 180 TB per year, this hard drive demonstrates endurance with an MTBF of 1,200,000 hours and a robust load/unload cycle rating of 600,000. The design minimizes non-recoverable errors to 1 per 10^{15} , ensuring steady data integrity. This hard
