R863

Active Noise Cancellation (ANC)

With ANC (Active Noise Cancelling) technology, the Tracer Mobile Ultra effectively dampens ambient sounds, allowing you to fully immerse yourself in music or video. This feature makes the headphones perfect for the office, when traveling or in busy urban spaces.

Long battery life – up to 25 hours

The Tracer Mobile Ultra wireless headphones offer up to 25 hours of battery life, so you can listen to music, watch videos or make calls for hours without needing to recharge. It is a guarantee of comfort at home, on the go and at work.

Stable Bluetooth 5.4

Connection Equipped with Bluetooth 5.4, the earbuds provide a fast and stable connection to your phone, tablet or laptop. The sound transmission is smooth, and the quality of music and calls is high, without delays.
