The HP ProBook 4 G2i Notebook is designed for professionals seeking reliability and efficiency in their work. With a native resolution of 1920 x 1200 on a vibrant IPS display, this notebook ensures clear visuals for all tasks. The anti-glare monitor makes it suitable for various lighting conditions, reducing distractions while you work. Equipped with AI noise reduction technology and dual stereo speakers from Poly Studio, audio experiences are enhanced whether in meetings or video calls. This notebook features a robust Intel Core 7 processor with six cores, delivering impressive performance with a max turbo speed of 4.8 GHz. Storage is provided by a reliable SSD with NVMe technology, ensuring quick access to files and applications. Additionally, the HP Tamper Lock and thermal sensor safeguard the device against unauthorized access and overheating, while the spill-resistant keyboard adds an extra layer of durability. The HP Fast Charge feature helps get users back to work quickly by reducing charging downtime.
