

HP Poly Focus 625 Headset + Wireless Charge Stand

Model: C56XXAA#AC3

Manufacturer: HP INC.

EAN: 199485858050

Product Code: 1126660

R5,986

The HP Poly Focus 625 headset offers features that enhance audio quality and user convenience for both computer and phone applications. With Hybrid ANC technology, it effectively reduces background noise, ensuring clear conversations and immersive sound experiences. The on-ear headphones support a frequency response from 20 to 20,000 Hz, delivering rich sound in a stereo format. Its noise-canceling microphone with digital MEMS technology ensures your voice is captured with precision, while the boom mic can be rotated to mute for added versatility.

Connectivity is seamless with Bluetooth 5.4, allowing simultaneous connection to up to 2 devices, while the USB-C Bluetooth adapter provides flexible connectivity options. The headset also supports intelligent assistants like Google Assistant and Siri. With Smart Sensor Technology and Acoustic Fence 2.0, the HP Poly Focus 625 adapts to your surrounding environment, providing voice alerts and noise reduction for an enhanced audio experience. Its lightweight design with artificial leather ear pads ensures comfort during extended use.
