

BenQ GW2291

Model: 9H.LPALM.MBE

Manufacturer: BENQ

EAN: 4718755098154

Product Code: 1133515

R2,487

Everyday Eye Comfort

Everyday Eye-Care. Lasting Comfort.

You shouldn't have to adjust setting after setting just to protect your eyes. BenQ Eye-Care Monitors feature Low Blue Light and Flicker-Free technologies to help reduce eye strain and provide comfortable viewing throughout your workday.

Try Eye-CareU for Healthier Screen Time

Eye-CareU makes it easier to manage your screen time with timely reminders and quick controls that help you stay focused, take regular breaks, and maintain healthier viewing habits.

*Available in both Light and Dark themes for your eye comfort.

Certified Eye Comfort You Can Trust

Backed by TÜV Rheinland Eye Comfort 2.0 certification and Eyesafe Certified 2.0, the GW2291 meets recognised international standards for visual comfort, so you can work with added confidence throughout the day.

Enjoy Crisp and Clear Images

Vivid Colours, Striking Imagery

IPS (In-Plane Switching) technology delivers accurate colour and consistent image quality from virtually any viewing angle. Combined with Full HD 1080p resolution, it brings every detail into sharper focus for a clearer, more comfortable viewing experience.

Ultra-Thin Bezel Design

See more with less around it. The ultra-thin bezel draws your focus to the screen, creating a clean, distraction-free viewing experience that's ideal for work, entertainment, and everything in between.

Seamless Viewing with 100Hz Smooth Motion

Enjoy smoother, clearer visuals with a 100Hz refresh rate. Whether you're scrolling through web pages, streaming videos or gaming, the higher refresh rate delivers smoother scrolling, sharper motion and improved responsiveness.
