- The Seagate Expansion Portable hard drive offers an easy-to-use solution when you need to instantly add storage to your computer and take files on the go.
- Drag and drop file saving, right out of the box
- USB powered
- Fast data transfer with USB 3.0 connectivity
- The Expansion portable hard drive can be installed easily by plugging in a single USB cord. You can start saving your digital files to this external hard drive within seconds of removing it from the box.
- Digital photos, videos and music files can tax your computer's storage, causing performance to decline as its internal hard drive fills to capacity.
