See It Clear. See It Anywhere

6.78-inch 2.4K Display

Take in high-resolution clarity on Blackview FORT 200’s 6.78-inch 2.4K display — now boosted with 700 nits peak brightness to stay readable outdoors, accurate for photos, and smooth for every on-the-go task.

Sunlight? Still Crystal Clear.

Daylight-Level 700-Nit Brightness

FORT 200 pushes up to 700 nits to stay bright and readable when lesser displays fade.

Glide Smarter. Move Faster

120Hz AI Smart Refresh Rate

Feel the smoothness kick in with Blackview FORT 200’s 120Hz AI Smart Refresh Rate — saving power when you scroll, boosting fluidity when you game, and keeping every move ultra-responsive wherever you go.

Capture It All — Sharper by Day, Visible by Night

Built with the Industry’s Clearest Imaging Power.

Let Every Detail Tell a Bigger Story

108MP Samsung HM6 Rear Camera

Feel the power of pure resolution as Blackview FORT 200’s 108MP Samsung® HM6 captures ultra-fine details you can zoom into — from distant landscapes to close-up work evidence, nothing escapes its clarity.

8× Zoom. See WhatDistance Hides

Whether you're observing, inspecting, or documenting, 8× zoom brings distant details into sharp,

usable clarity.

Pure Clarity. Zero Compromise

50MP Samsung JN1 Front Camera
See the difference with FORT 200’s 50MP Samsung JN1 — offering clean detail, balanced exposure, and reliable clarity for tough environments and everyday communication.

ISOCELL 2.0

Cleaner colors and reduced noise for more natural skin tones.

Tetrapixel 4-in-1 Tech

Brighter low-light selfies with 1.28µm effective pixels.

Double Super PD

Faster, more accurate focusing for sharper selfies and clearer video calls.

Light or Not — You See It All

13MP Night Vision Camera
Stay aware in any environment with FORT 200’s 13MP Night Vision Camera — providing clear visibility when the lights go out and conditions get tough.

Wildlife Observation

Spot animals clearly — even when darkness hides their movement.

Emergency Search & Rescue

Locate people and objects fast when every second matters.

Camping Safety

Stay aware of what moves around your campsite after dark.

More Than a Photo. It’s the Moment

All-new Motion Photo
Catch the moment before it fades with FORT 200’s Motion Photo — capturing the movement, the sound, and the split-second energy that still photos usually miss.

Perfect the Light. Perfect the Shot

2K Video Recording with All-New Pro Mode
Shoot with purpose using FORT 200’s sharper 2K video, and fine-tune your settings with Pro Mode when Auto mode can’t keep up with tough lighting or fast-moving moments.

Make Every Photo Worth Sharing

AI Photos
Get pro-level results anywhere with FORT 200’s AI Photos — a full suite of 18+ AI editing tools that sharpen details, remove objects, expand scenes, blur backgrounds, swap environments, and even bring photos to life in one tap.

Made for the Harsh. Built for the Hard

Top-tier MIL-STD-810H certified — FORT 200 withstands drops, shocks, heat, cold, vibration, rain, sand, and humidity without breaking stride.

Rain? Mud? Pressure? Bring It

Industry-leading IP68 & IP69K toughness means FORT 200 shrugs off water, dust, mud, and high-pressure spray — staying safe inside, no matter the mess outside.

No Lag. No Limits. Just Power

Best 4G Octa-core MediaTek Helio G100
Handle field work, outdoor navigation, and daily multitasking with ease — the best 4G Octa-core Helio G100 in FORT 200 keeps everything fast, fluid, and ready when the job gets busy.

Room for Everything That Matters

256GB ROM + Up to 2TB TF Card Expansion
Load up your day with confidence — FORT 200’s 256GB ROM and up to 2TB TF expansion let you save large videos, offline maps, work records, and photos without running out of room.

Keep Going Strong. Charge Back Fast.

5,000mAh Large Battery with 33W Fast Charging
Rely on FORT 200’s 5,000mAh power to keep your tasks going — from navigation to night shots — and count on 33W fast charging to bring you back in no time.

Power That Knows When to Rest

All-new Deep Power-saving Mode
Notice the difference as FORT 200 adapts to your day — the all-new Deep Power-saving Mode identifies idle time even in daylight and reduces power use without you lifting a finger.

The More You Use It, the More It Understands You.

From DokeOS 4.2 to 5.0, everything has evolved — the speed you feel, the fluidity you see, the intelligence that anticipates your next move. It’s smoother, smarter, and more personal than ever, turning everyday moments into effortless experiences.

All-Day Speed, All-Day Endurance

FORT 200 keeps up with real work — delivering fast starts, stable multitasking, and long-lasting
