R5,508

Unprecedented Visual Clarity, Where Every Detail Comes to Life

12.2" 2.4K Ultra-Clear Display

Immerse yourself in a 12.2-inch 2.4K ultra-clear display, where every scene comes to life with sharper detail and vivid clarity. With a refined 236 PPI pixel density, every image appears crisp, smooth, and precisely defined.

A Bigger Leap in Screen Immersion

94.2% Screen-to-Body Ratio

With the highest-ever 94.2% screen-to-body ratio, Blackview MEGA 5 breaks past the limits of conventional bezels—bringing you closer to the content with more space to see, create, and enjoy. Paired with a 16:10 aspect ratio, every task feels more expansive, and every moment more

immersive.

Every Move, Smoother Than Ever

Ultra-smooth 120Hz AI Smart Refresh Rate

MEGA 5 features a 120Hz AI smart refresh rate display, delivering a noticeably smoother and more responsive visual experience—33% higher than standard 90Hz displays—so every scroll, swipe, and transition feels fluid, precise, and effortlessly natural.

Your Eyes Will Love It!

TÜV SÜD Low Blue Light Certification

Engineered with hardware-level low blue light technology and certified by TÜV SÜD, MEGA 5 reduces harmful emissions at the source—helping to reduce eye strain and keep viewing comfortable during long sessions of work, study, or reading.

Stereo Sound That Resonates Within

Dual 2W Box Speakers with Smart-K

Dual 2W box speakers with Smart-K deliver clear, layered stereo sound with enhanced depth—bringing movies to life, enriching every track, and making video calls, games, and streaming more immersive.

Ready to Play, Right Away

Includes Wired Earphones

With wired earphones included, you’re ready to enjoy music, videos, and FM radio—no setup needed, just plug in and play.

Faster Where It Matters. Built to Outperform.

Powered by a next-generation octa-core processor with 2× A78 performance cores, built on an advanced 6nm process and clocked up to 2.2GHz, MEGA 5 delivers fast, smooth, and efficient performance across everything you do.

More Memory. More Power. No Slowdowns.

Up to 48GB RAM = 12GB + 36GB RAM Expansion

With 12GB of RAM and up to 36GB of memory expansion, Blackview MEGA 5 delivers up to 48GB of

total memory—so you can run more apps, switch faster, and multitask more smoothly.

Space, Without Limits.

256GB ROM + Up to 2TB Expandable Storage

From movies and music to photos and work files, keep everything that matters in one place. With 256GB of internal storage and up to 2TB expansion via a TF card, MEGA 5 gives you the freedom to store more—without compromise.

Stay Cool. Perform Better.

Advanced Heat Dissipation

Stay cool, even when performance heats up. MEGA 5 features an advanced heat dissipation system with a large 2515 mm² copper foil layer for efficient cooling, helping maintain stable performance—whether you're multitasking, streaming, or playing games.

Laptop-Like Power on a 12.2-inch Display

PC Mode 3.0

Swipe with four fingers to enter PC Mode instantly. Open up to 8 windows, switch tasks seamlessly, and stay in control—delivering a 12.2-inch laptop-like experience.

Work Smarter. Ready When You Are.

Pre-installed WPS Office

Open, edit, and share Word, Excel, PowerPoint, and PDF files effortlessly—whether you're handling reports, reviewing documents, or preparing presentations on the go.

Side by Side. Get More Done.

Split Screen 2.0

Use split-screen to run apps side by side with ease. Save your favorite combinations and launch them together with a single tap—so your workflow stays smooth, focused, and uninterrupted.

Write Naturally. Create Freely.

Stylus 2.0 Included

Experience smooth, natural writing and drawing with a precision stylus built for productivity and creativity. From quick notes to detailed sketches, every stroke feels precise, responsive, and

fluid—capturing your ideas the moment they happen.

Smarter Notes. Smarter Life. Notebook 2.0

Capture ideas, organize tasks, and preserve moments—all in one place. With support for natural handwriting, Blackview MEGA 5 lets you record every spark effortlessly, keeping your notes safe, synced, and easy to revisit across study, work, and everyday life.

Sleek. Refined.

Designed to Impress.

With its slim profile and clean, minimalist design, MEGA 5 delivers a modern, timeless look. The smooth finish feels great in hand, while the lightweight build makes it easy to carry anywhere. Every detail is thoughtfully crafted—from refined edges to balanced proportions—creating a device that looks as good as it feels.

Power That Stands Out in Its Class

10000mAh Ultra-Large Battery

From your first task in the morning to your last scroll at night, MEGA 5’s 10000mAh battery keeps everything running uninterrupted.

10 Minutes Charge = 40 Minutes Browsing

Class-Leading 55W Fast Charging

With 55W fast charging, power up quickly and get back to what matters without the wait. Just 10 minutes of charging delivers up to 40 minutes of browsing. On a full charge, enjoy up to 9 hours of use—ready for work, entertainment, and everything in between.

Less Power, More Endurance.

Class-Leading Deep Power-Saving Mode

Engineered for higher efficiency and lower power consumption, MEGA 5 does more with less. With intelligent power-saving optimization working seamlessly in the background, it adapts to your usage—reducing idle drain and extending battery life throughout the day.

Share Power When It Matters

With 6W reverse charging via OTG, MEGA 5 can charge your phone, earbuds, and other

devices—keeping you connected wherever you go.

Fully Upgraded. Built for What’s Next.

DokeOS_P 5.0 Based on Android 16

New Level. New Experience.

DokeOS on Blackview MEGA 5 is upgraded to version 5.0 based on Android 16—bringing faster performance, smoother operation, a cleaner UI, and smarter AI features for a more seamless everyday experience.

Camera

Clarity, in Every Moment.

See the Moment. Keep It Forever.

16MP Rear Camera

Capture every moment with clarity—from everyday scenes to documents—effortlessly.

Look Sharp. Stay Connected.

13MP Front Camera

Capture every detail with natural, crystal-clear clarity. Designed for video calls, MEGA 5 features a 13MP front-facing camera, thoughtfully positioned for a more natural angle, keeping meetings, classes, and chats clear, balanced, and professional.

Clear Video, Ready to Share

1080p Full HD Recording

Record in 1080p Full HD with both front and rear cameras, capturing clear and stable footage for calls, online classes, and everyday moments.

See More. Understand Instantly.

Smart Google Lens

Explore the world around you with Google Lens on MEGA 5. Instantly identify objects, translate text, and discover information in real time.

Smarter, Everywhere You Use It

AI that works across your day—helping you think faster, create with ease, and get more done with

less effort.

Ask. Get. Done.

Doke AI 2.0

With Doke AI 2.0, Blackview MEGA 5 brings advanced AI capabilities to help you study, work, and stay organized—from instant answers and smart summaries to real-time translation—seamlessly integrated into your tablet.

Just Say It. It Gets Done.

Gemini AI

With Gemini AI, MEGA 5 responds to your voice and works across apps—helping you search, plan, and act with less effort and more clarity.

Voice Activation

Ready when you need it.

Smarter App Interaction

Get help across apps with voice or text—simple and seamless.

Instant Answers

Just ask. It responds.

Real-Time Conversation

Natural, fluid, and responsive.

Effortless, Across Everything—Powered by Doke AI Suite

From ideas to execution, everything flows seamlessly across apps—with MEGA 5 integrating powerful AI tools into one connected, intuitive experience.

AI Chat

Your intelligent companion for study, work, and creativity. Ask questions, summarize content, and generate ideas instantly — all in one seamless space.

AI Writing & Summarization

Write, refine, and understand with ease. Generate content, polish your text, and turn complex information into clear insights — perfect for notes, reports, and study.

AI Tutoring Assistant

Learn at your own pace. Get clear explanations, guided support, and helpful insights that make understanding faster and easier.

AI Smart Search

Find answers in seconds. Get instant results, concise summaries, and meaningful insights—so you can focus on what matters.

AI Photos

Create eye-catching visuals in seconds. Turn ideas into images or transform your photos into share-ready content — all with ease.

Remove Objects

Remove unwanted elements in seconds with a single tap—keeping only what matters.

AI Outpainting

Expand your images beyond their original frame—with AI-generated, natural-looking extensions.

Replace Background

Change backgrounds instantly to match any scene—from scenic views to studio-style setups.

AI Video

Bring your ideas to life. Turn text or images into dynamic videos, and customize them with styles and effects—all with your own creative touch.

AI Music

Create, explore, and express. Turn simple prompts into music, experiment with styles, and shape your sound into something ready to share.

Protection You Can Rely On.

Designed to Protect. Built to Adapt.

Protective Case Included

A flip cover that protects when closed and functions as a stand when needed—keeping your MEGA 5 safe while enabling comfortable, hands-free viewing anytime.

Clarity Meets Protection

Tempered Glass Screen Protector Included

A tempered glass screen protector is included, helping protect your screen from scratches and daily wear—while keeping every touch smooth and every detail clear.

Connected, Without Limits.

Dual 4G SIM Support

Dual SIM support offers greater flexibility—switch networks, manage multiple numbers, or use one SIM with a TF card for expanded storage.

Reliable Worldwide Coverage

Built for global use, with wide band support for stable and consistent connectivity across regions.

High-Speed Wi-Fi 6

Experience faster, more responsive wireless performance with Wi-Fi 6—delivering quicker downloads, lower latency, and more stable connections for streaming, gaming, and multitasking.

Wireless BT 5.4

Enhanced stability and lower latency for smoother, more reliable connections.

4-Mode Precision Navigation

Supports GPS, GLONASS, BeiDou, and Galileo for faster, more accurate positioning wherever you go.

Ready, Right Out of the Box

Everything you need comes with Blackview MEGA 5—nothing extra required, ready to go.
