

MSI GeForce RTX 5060 8G VENTUS 2X OC V1

Model: RTX 5060 8G VENTUS 2X OC V1

Manufacturer: MSI

EAN: 4711377460880

Product Code: 1143210

R11,213

MSI VENTUS 2X OC V1 is a graphics card designed to deliver responsive gaming and creative performance for mainstream desktop systems. It combines an NVIDIA GeForce RTX 5060 GPU with a boosted clock up to 2527 MHz and 3840 CUDA cores to handle modern games, GPU-accelerated workflows, and multi-monitor setups. The card includes 8 GB of GDDR7 memory running at 28 Gbps on a 128-bit bus to keep textures and frame buffers moving smoothly for high-resolution displays. Thoughtful cooling and build details support reliable everyday performance, with a dual-fan Torx 5.0 design, MSI Zero Frozr technology, a reinforced backplate, and a custom PCB to manage heat and stability. Connectivity options include three DisplayPort outputs and an HDMI port with DisplayPort 2.1b compliance to support up to four monitors and external resolutions up to 7680 x 4320. Additional NVIDIA features such as DLSS 4.5, ray tracing, and hardware encoders provide improved frame rates, visual quality, and streaming capabilities while keeping power use appropriate for its class.
