

Seagate SV35 Series Surveillance HDD, 4TB internal hard drive 64 MB 3.5" Serial ATA III

Model: ST4000VX000

Manufacturer: SEAGATE

Product Code: 11533

R3,352 ~~R3,467~~

Helps Improve Costs and Data Integrity

- The industry's first surveillance-optimized hard drive platform with 1, 2, 3 and 4TB capacity options improves video streaming and data integrity in surveillance applications.
- Seventh-generation Seagate® surveillance drive is tuned for high write-cycle workloads typical in video surveillance storage systems.
- 4TB of storage capacity supports higher-resolution cameras and up to 16 drives per system, with up to 32 cameras per drive.
- Reliably performs in multi-drive systems with RAID support from RV sensors

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

- 24x7 operational capabilities while maintaining high AFR of <1%
- 2A current-limited startup to support the use of embedded system power supplies
- Never miss a frame with quick time-to-ready.
- Idle3 spin control features enable power-on in standby mode or drive spin-down to conserve power and improve reliability during archival periods.

Best-Fit Applications

- NVR
- Embedded SDVR
- Hybrid SDVR
- Surveillance DVR
