

Kingston Technology SSDNow V300 240 GB 2.5" Serial ATA III MLC

Model: SV300S37A/240G

Manufacturer: KINGSTON

Product Code: 11540

R869 ~~R918~~

Kingston's SSDNow V300 solid-state drive is a cost-efficient performance upgrade that revives your personal computer and makes it more responsive. It's 10 times faster than a 7200RPM hard drive plus more reliable, more durable and shock-proof, with no moving mechanical parts. It features an LSI® SandForce® controller customised for Kingston and best-in-class components that are affordable for first-time SSD owners. SSDNow V300 is available in kits with all the accessories needed for an effortless transition to the latest technology for less than the cost of a new system. For added peace of mind, it's backed by a three-year warranty, free technical support and legendary Kingston® reliability.

- Fast — 10x faster than a 7200RPM hard drive
- High Quality — features an LSI® SandForce® controller customized for Kingston
- Reliable — with no moving parts, solid-state drives are less likely to fail than standard hard drives
