QNAP TS-853A NAS Tower Intel® Celeron® N3150 4 GB DDR3L 0 TB QNAP Turbo System Black

Model: TS-853A-4G

Manufacturer: QNAP

Product Code: 11589

R24,521 ~~R27,457~~

In response to the coming era of Internet of Things (IoT), the TS-853A innovatively supports the open-source Linux® platform as a gateway for IoT solutions to other smart devices. The TS-853A allows users to directly utilize various feature-rich Linux apps, enjoying a private cloud combining storage and IoT applications, and professional developers can develop and run IoT applications directly on the TS-853A. The secure, reliable TS-853A is packed with business-critical features such as Volume/LUN Snapshot – allowing files/folders to revert to a previous state in case of any corruption or file-loss. The TS-853A is powered by the latest quad-core Intel® Celeron® processor which allows users to enjoy 4K (H.264) video playback and 1080p/4K video real-time transcoding directly from the TS-853A to an HD/4K display.
