R1,543 ~~R1,723~~

Back Up Your Stuff — Anytime, Anywhere.

The Seagate® Backup Plus Slim Portable Drive is the simple, one-click way to protect and share your entire digital life. Perfect to take on the go, the sleek metal case design allows for the thinnest portable hard drive available with up to 2TB of capacity. It goes anywhere — without getting in your way.

- Features mobile backup using the Seagate Mobile Backup App.
- Protect your data with easy flexible backups.
- Back up from Facebook and Flickr and share to YouTube.
- Easy to share files between Windows and Mac computers.
- USB 3.0 plug-and-play with no bulky power supply adapters.

Back Up From Your Mobile Devices.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Use the Seagate Mobile Backup App to easily back up photos and videos on the go directly from your mobile devices to Backup Plus Slim Portable Drive.

Back Up and Protect Photos, Videos and More — Automatically.

Choose from two easy backup options in the Seagate Dashboard – scheduled or continuous.

Do More With Social Networks.

Don’t risk losing those great pics you’ve posted online. The Backup Plus Slim Portable Drive finally bridges the gap between your online life and the rest of your life, letting you automatically back up your favourite memories from Facebook® and Flickr®. You can even share new videos to your YouTube® account.
