in class, shopping, chatting or surfing, this drive can work up to four times faster² than SATA drives. Because they have no moving parts, SSDs offer a shock-resistant design to help protect your important data against accidental bumps and drops. The slim M.2 2280 form factor allows for a quick and easy upgrade for any computer with an NVMe slot. Plus, with the downloadable Western Digital® SSD Dashboard you can also monitor the health of your drive for added peace of mind.

Product Details

NVMe™ Power is Now Within Reach

Experience fast performance with cost-effective NVMe™ technology that outperforms traditional SATA drives.

Help Protect Your Data

Because there are no moving parts, solid-state drives help to protect your data against day-to-day bumps or drops

A Quick Upgrade

Upgrading your system is simple with the slim M.2 2280 form factor. All you need is an NVMe™ slot and about 10 minutes.

Monitor Your Drive's Health

The Western Digital® SSD Dashboard is free, downloadable software that monitors current performance, space availability, temperature and more to help ensure peak performance.

More Room for What's Important

The WD Green™ SN350 NVMe™ SSD offers several choices of capacities up to 960GB1 – that's nearly a terabyte of speedy NVMe storage.

Be Confident in Your Choice

Western Digital is a name you can trust. With a 3-year limited warranty, you can rest assured in your choice of a WD Green™ SN350 NVMe™ SSD

Summary: Western Digital Green SN350. SSD capacity: 480 GB, SSD form factor: M.2, Read speed: 2400 MB/s, Write speed: 1650 MB/s, Data transfer rate: 8 Gbit/s | Vendor Homepage:
