Go beyond the realm of possibilities with the Sonic Go Fast REALMz™ Wired Headset. Collect the immersive universe from your favorite games with this one-of-a-kind headset featuring a figurine living inside the earcup. Discover the world inside your game and the headset with its unique, multi-layer design showcasing iconic artwork from your favorite titles. Made with lightweight materials, soft cushions, and an over-the-ear design, you can wear the headset all day without fatigue. Finely tuned audio, through the 40mm drivers, provides a totally immersive gaming experience. With the sleek, noise-canceling mic only you will be heard loud and clear. When you need to go off comms, just flip the mic up to mute it. Explore the realmz with this uniquely collectible headset, officially licensed by Nintendo® and SEGA®.
