HDRi, finetuned by BenQ color experts, auto-optimizes image color detail and clarity. It improves contrast through color saturation and by auto-adapting to ambient light for a unique MOBIUZ gaming experience.

Light Tuner

With Light Tuner, choose from 20 color settings for your favorite effect. Create the FPS or RPG experience that's right for you.

Black eQualizer

Black eQualizer brings out all the details in dark areas of the screen.

1ms GtG Fast Response

With 1ms GtG fast response time, the EX270QM delivers next-generation clarity without ghosting

240Hz Refresh Rate

The fast 240Hz refresh rate combined with AMD FreeSync Premium Pro deliver fast responses for smooth gaming without tearing

Enchanting Sound Performance for Full Immersion

Everything you need for superb sound reproduction right here. Built-in speakers and five immersive sound modes designed for gamers deliver surround sound like you've never experienced. Plug it in, turn it on, and find yourself taken away.

Scenario Mapping

Pair each of your Quick OSD presets with an input. Simply change your input and your settings automatically adjust.

Remote Control

Take control from anywhere in your room
