Model: K87654WW

Manufacturer: KENSINGTON

EAN: 085896876540

Product Code: 1176389

R2,783

The Kensington A1000 Telescoping C-Clamp is a professional desktop mount for microphones, webcams and lighting systems - the perfect accessory for keeping your video conferencing setup organised and professional. The adjustable height stand extends from 508-762mm (20-30") to accommodate standard webcam, microphone and lighting system configurations. The 360° swivel mount provides flexible webcam or lighting angles, with cable management clips supporting a tidy workspace. The A1020 is part of Kensington's Professional Video Conferencing ecosystem - a powerfully cohesive plug & play software and accessory experience that empowers you to spend more time collaborating and less time troubleshooting.

An adaptable mounting solution for microphones, webcams and lights (3/8", 1/4" and 5/8" adaptors included).

Extends from 508-762mm (20-30") to accommodate standard webcam, microphone and lighting configurations.

Keeps unsightly cords organised and out of your workspace - allowing for a clean and tidy video
