

Samsung 860 PRO 512 GB 2.5" Serial ATA III 3D MLC

Model: MZ-76P512BW

Manufacturer: SAMSUNG

Product Code: 11764

R5,244 ~~R6,074~~

Industry leading reliability

Powered by the latest V-NAND technology and a robust algorithm-based controller, the 860 PRO readily handles heavy workloads of high-end PCs, workstations and NAS (Network Attached Systems) to give lasting assurance to gamers, IT and creative professionals.

Enhanced performance

Speeds are consistent and sustained, even under heavy workloads and multitasking. The 860 PRO performs at sequential read speeds up to 560 MB/s with the combination of the latest V-NAND and a refined controller, delivering sequential write speeds up to 530 MB/s.

Superior endurance

Under heavy workloads, endurance is everything. Safely store and render 4K videos and 3D data used by the latest applications, up to 10.7x higher TBW than the previous 850 PRO. The latest V-NAND technology gives you industry-leading endurance backed by a 5-year or up to 4,800 TBW limited warranty.

Smart compatibility

Benefit from faster, more fluid communication with your host system. The refined ECC algorithm and a new MJX controller generate higher speeds, and the improved queued trim enhances Linux compatibility.
