You can tilt, pivot, or swivel the display, adjust its height, or shift to either portrait or landscape mode for comfortable, convenient, and efficient working environment.

Consistent Image Performance at Every Angle

By adopting wide viewing angle panel, this monitor delivers consistent colors and detailed images with the same image quality whether you are looking at the screen from above, below, the front, or the side.

Bezel Less Design

The 3-sided bezel-less design broadens the screen space. It allows for multiple monitor setups with a reduced bezel gap, which won’t just let you enjoy a nearly seamless viewing experience, but also enhance productivity at work.

Eye Comfort

Eye comfort figures high on the list of strengths that define the LH-Series. The flicker-free backlight and blue light filter of the LH-Series ensure a comfortable viewing experience by reducing eyestrain after long periods of use.

Flexible Connectivity and Multimedia Options

Given its multiple input options including DisplayPort, HDMI and VGA, you can easily connect an LH-Series monitor to your PC, Laptop or high-definition devices to make the LH-Series a competent multimedia platform.

Integrated Dual Speakers

Integrated with dual 1W speakers, the LH-2403 provides sound effects for multimedia content.

VESA Wall Mount Compatible

The LH-2403 monitor is compatible with a 75 x 75mm VESA mount standard, making it easy to fit flexible installation in the workplace.
