templates for easy multi-tasking. This monitor is also shipped in eco-friendly biodegradable packaging, along with an easy-to-install quick release stand that makes for quick deployment and a lower total cost of ownership.

BE MORE PRODUCTIVE WITH VIEWSONIC DOCKING MONITORS

Enjoy safety, flexibility and productivity with ViewSonic. ViewSonic offers a diverse range of display solutions to help companies make the most out of their flexible workstations.

Featuring state-of-the art ergonomic design, ViewSonic® docking monitors are the perfect setup for your changing work environment. With USB-C single-cable connectivity, RJ45 wired Ethernet connection and a USB hub for your accessories, there's no need for expensive docks. One cable provides everything you need to connect and start working.

Enjoy peace of mind with an industry-leading warranty on all ViewSonic monitors and access to an award-winning customer support team.

ENHANCED PRODUCTIVITY WITH DUAL MONITOR SETUP

With the latest USB Type-C and DisplayPort output connectivity, these monitors can be easily daisy chained for a productivity-boosting desktop setup. With multiple screens on your desktop, you can work smarter, faster, and more efficiently.*

*MST (multi-stream transport) not supported by macOS

REDUCE CLUTTER WITH SINGLE-CABLE SOLUTION

With a slim and reversible connector and easy single-cable docking, USB 3.2 Type-C connectivity reduces the reliance on multiple wires, cables, and adapters. In addition to fast data, audio, and video transfer, USB Type-C also provides quick 90W charging over a single cable.

A MORE COMFORTABLE WORKSPACE

With advanced ergonomic features including swivel, pivot, height adjust, and tilt, this monitor is designed to provide a greater range of adjustment for increased productivity and comfort. The monitor can tilt up to 40-degrees, making it ideal for use during group discussions and screen sharing.

COMMAND AND CONTROL MADE EASY

Integrated vDisplayManager software enhances productivity by putting the On-Screen Display (OSD) menu controls on your monitor's screen. This delivers a more comfortable viewing experience by allowing you to quickly and easily adjust display settings such as volume, brightness, contrast, and more.

MINIMIZED TOTAL COST OF OWNERSHIP

Designed for the busiest of office environments, this monitor helps to reduce hidden business costs and delivers an efficient end-to-end enterprise experience. From installation time and recycling concerns, to user experience and screen performance, every feature of this monitor was carefully considered to not only meet your workspace demands, but to also reduce your TCO.

QUAD HD RESOLUTION

At four times the resolution of a traditional 720p panel, and almost double that of a traditional 1080p display, QHD results in a much sharper image, with no distortion or stretching, all while maintaining the same 16:9 aspect ratio.

SUPERCLEAR IPS PANEL TECHNOLOGY

Enjoy accurate and vivid colors with consistent levels of brightness no matter the vantage point. With SuperClear IPS panel technology, this monitor delivers the same image quality whether you are looking at the screen from above, below, the front, or the side.

ENERGY STAR CERTIFICATION
