

TP-Link Omada AX3000 3000 Mbit/s White Power over Ethernet (PoE)

Model: EAP650GP-DESKTOP

Manufacturer: TP-LINK

EAN: 1210002605960

Product Code: 1176815

R5,526

Complete Omada Optical Networking Solution

The Omada Optical Networking Solution delivers enterprise-grade gigabit passive optical networking. It seamlessly integrates essential components such as Omada switches, gateways, OLTs (Optical Line Terminals), and ONUs (Optical Network Units)—perfect for P2MP (point-to-multipoint) environments like hotels and MDUs.

One Fiber, Multiple Services

Connect a fiber optic cable to the EAP650GP-Desktop to connect cameras, PCs, TVs, and an IP-Phone to carry data, voice, wired and wireless internet, HD video, and VoIP services.

△The two PoE ports support up to 22.4 W total PoE out. If the total PoE power exceeds the upper limit, the lower-priority ports will shut down automatically. A port also automatically powers off if its output exceeds 15.4 W. Powered-off ports will attempt to resume power supply after 10 seconds. By default, ETH0 has a higher port priority than ETH1.

Seamless WiFi 6 Mesh Networking

Leverage GPON WiFi 6 technology for a robust and seamless network experience, delivering speeds up to 3.0 Gbps.* Omada Mesh and 802.11k/v/r roaming ensure a consistently smooth and reliable connection.
