

Seagate 600 Pro 480 GB 2.5" Serial ATA III MLC

Model: ST480FP0021

Manufacturer: SEAGATE

Product Code: 11769

R3,644 R4,324

Seagate 600 Pro SSD for Cloud and Data Centre Applications.

A class above client SSDs, Seagate® 600 Pro SSDs deliver a best-in-class combination of fast, consistent performance and low power. These drives are an exceptional fit for hyperscale data centres, cloud system builders and cloud service providers.

- Best-in-class performance efficiency.
- End-to-end data protection.
- One drive – many use cases.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
