

ASUS NUC 12 NUC12WSKv7 UCFF Black i7- 1270P

Model: 90AB2WSK-MRE100

Manufacturer: ASUS

EAN: 5032037248006

Product Code: 1177009

R16,927

Smaller, Faster, Better, AI Ready

The ASUS NUC brand represents a commitment to technological excellence, prioritizing innovative product design, to push the boundaries of performance and user experience.

Developed through a partnership between ASUS and Intel, the ASUS NUC product lines anchor on delivering uncompromised performance in the smallest form factors, backed by industry best quality and reliability, innovative modular designs, extended lifespan options, smart cooling solutions, and advanced AI capabilities. The versatility of the products shines through an array of configurations catering to diverse user needs, from developers, to power users, to casual home use. Positioned as the preferred choice for a variety of business applications, vertical industries, and everyday users, the ASUS NUC combines exceptional performance with essential features, aiming to shape the next generation of PC experiences.

With a focus on supporting diverse businesses and enhancing PC applications, the ASUS NUC aspires to deliver on the brand promise of delivering the Next Unit of Compute (NUC) and make a lasting impact in the ever-evolving tech landscape.

Built for Business. NUC 12 Pro

Boost business performance with 12th Gen Intel Core processors and the latest features to support productivity, collaboration, and edge compute.

ASUS NUC 12 Pro Mini PCs, Kits, & Boards

Ready to work, wherever it's needed—the 4x4 compact device is designed to go where you go, and fit into any space.

Powerful Performance Perfect Fit

Experience the advanced power and performance for edge computing, collaboration, home offices, and more— 12th Gen Intel Core™ processors deliver it all.

Small Size. Big Business Performance

ASUS NUC 12 Pro Mini PCs and Kits raise the bar for performance and connectivity in a 4x4 device for the edge, business, or home. 12th Gen Intel Core processors deliver revved-up performance with up to 64 GB dual-channel memory and ample SSD capacity—plus lightning-fast wired and wireless connectivity.

The power of small

With a 4" x 4" footprint, pint-sized NUC 12 Pro Mini PCs and Kits are available in two chassis, including tall kits with a 2.5" drive bay and an internal expansion bay.

Brilliant graphics

Small size and brilliant graphics technologies make NUC systems an ideal choice for kiosks, signage, video walls, and more. Choose from systems with Intel® Iris® Xe graphics or customizable discrete graphics.

Surprising size. Supercharged performance

Level up your business with the latest technologies.

Mighty performance

With 12th Gen Intel Core™ processors, ASUS NUC 12 Pro Mini PCs, Kits, and Boards deliver the latest in powerful performance for edge computing, collaboration, home offices, and more.

Intel vPro platform

Created for IT professionals, Intel vPro Enterprise sets the standard for business: multilayer hardware-based security, efficient remote manageability, business-class performance, and PC fleet stability. Powerful, proven performance for today and tomorrow.

Device management is built-in

Stay on top of all of your devices. Oversight tools like Application Monitor, Player Failover and Advanced Features make NUC devices easy for admins.

All day, every day

ASUS NUC devices are engineered, built, for 24/7 commercial use, perfect for your “always on” needs like digital signage, security systems, and more.
