Committed to carbon neutrality throughout its lifecycle[1], Aspire Vero 16 is the world's first laptop to feature a chassis made with bio-based oyster shell material2. More than 70% of the chassis is made from a blend of post-consumer recycled plastic and bio-based oyster shell material3. It's a bold step forward to Rethink, Reimagine, and Revolutionize our perspective on technology.

More Than Just a Laptop

Inspired by the resilience of the coastline, Aspire Vero 16 is thoughtfully crafted with a blend of more than 70% PCR and bio-based oyster shell material in its chassis, along with an ocean-bound plastic touchpad. A testament to nature's role in inspiring innovation.

Setting a New Standard

Featuring a unique blend of post-consumer recycled plastic and oyster shell bio-based material in its chassis, Aspire Vero 16 transforms used plastic and incorporates 2.3x more PCR than the original 2021 Vero.

Committed to Carbon Neutrality

Aspire Vero 16 will remain carbon neutral throughout its lifecycle1. Make a positive impact that contributes to your sustainability goals and choose a device that stands For Planet Earth.

Rustic Charm, Modern Allure

Aspire Vero 16's facade embodies a naturally soothing aesthetic. Free from mica additives, its surface is smooth, yet celebrates imperfections with a warm cement-inspired finish that stands out in any crowd.

Planet-Friendly Packaging

Unbox sustainably with eco-friendly packaging that's 100% recyclable. Made from recycled cardboard, molded pulp, and printed with environmentally friendly inks on FSC-certified paper. A mindful choice for the planet, from box to device.

Minimize Your Impact

When the time comes, minimize your environmental impact with a future-forward upgrade. Easily open the chassis with a standard screwdriver, and when Aspire Vero 16 reaches the end of its lifecycle, recycle it through our network of local partners.

Eco-Innovation Without Compromise

Choosing an eco-conscious device like Aspire Vero 16 doesn’t mean sacrificing performance. With the power-efficient Intel® Core™ Ultra 7 processor (Series 2) and Intel® Arc™ graphics, you can dive into your tasks with absolute confidence.

Copilot

Copilot is an AI-powered assistant that helps you get answers and inspirations from across the web, supports creativity and collaboration, and helps you focus on the task at hand.

Smoother Video Calls

Acer PurifiedVoice™ and PurifiedView™ 2.0 enhance your video calls by reducing background noise, keeping you in focus, and ensuring you always look and sound your best.

Looking Sharp

Aspire Vero's brilliant 16" display brings your content to life, covering 100% of the sRGB color space. With its modern 16:10 aspect ratio and slim bezels, it provides plenty of screen space for work and entertainment.

Green But Mean

Aspire Vero 16's 70% PCR and bio-based material chassis is ultra-durable and tested to MIL-STD-810H standards, while also able to power through your day with long-lasting battery life. It’s tough on performance, yet gentle on the planet.

The Connectivity

Stream, share, and work effortlessly wherever you venture with Wi-Fi 7 compatibility, Bluetooth 5.4, HDMI 2.1, and dual USB Type-C (Thunderbolt 4 / USB 4) ports.

Smart Collaboration and Security

The high resolution 1440p QHD webcam comes with a privacy shutter for security, as well as a fingerprint reader, while the AcerSense™ app empowers you to make the most of your device and AI collaboration tools.
