

HPE 64GB 1x64GB Dual Rank x4 DDR5- 6400 CAS-52-52- 52 EC8 Registered Smart FIO Memory Kit

Model: P69728-F21

Manufacturer: HEWLETT PACKARD ENTERPRISE

Product Code: 1177323

R661,005

The HPE SmartMemory 64 GB memory module enhances system performance with its DDR5 SDRAM technology. Designed for compatibility, this registered memory module ensures stability and efficiency across various applications. Operating at a data transfer rate of 6400 MT/s, it meets the demands of data-intensive workloads, providing a seamless experience. This dual rank DIMM 288-pin memory is engineered to support increased bandwidth, aiding in the optimization of multitasking and heavy applications.

With a low supply voltage of 1.1 V and CAS latency of CL52, this memory module balances power consumption and performance. Its compliance with the PC5-25600 memory specification means that it can integrate into systems that require robust and reliable memory solutions. Improve your
