Product Code: 1177329

R31,374

The HP ProBook 4 G2a Notebook combines performance and functionality, making it a suitable choice for professionals who need a reliable device for work and communication. Featuring a 14-inch WUXGA LED display with IPS technology, this notebook ensures clear and vibrant visuals thanks to its anti-glare capabilities and Low Blue Light technology. The device is powered by an AMD Ryzen 5 processor with 6 cores, reaching a max turbo speed of 4.9 GHz, complemented by 16 GB of DDR5 SDRAM, providing smooth multitasking and efficient performance for various applications.
The notebook is equipped with audio features, including dual stereo speakers and Realtek AI noise reduction, enhancing the clarity of sound during virtual meetings. To keep your data secure, it includes a fingerprint reader, HP Tamper Lock, and a chassis intrusion sensor. Designed with sustainability in mind, the device is made with 30% recycled materials, including ocean-bound plastics and recycled metals, supporting eco-friendly initiatives without compromising quality.
