

## **SANDISK Portable SSD Crown V3 USB 3.2 Gen 2 2TB External Drives 1000MB/s Read**

Model: SDSSDE31-2T00-G25

Manufacturer: SANDISK

EAN: 619659232504

Product Code: 1177366

## **R8,880**

The SanDisk V3 external hard drive offers a portable storage solution with a capacity of 2 TB. Utilizing USB 3.2 Gen 2 technology, this solid-state drive ensures rapid data transfer rates up to 1000 MBps while keeping your data secure and easily accessible. The shock-resistant design adds an extra layer of durability, making it ideal for users who need reliable storage on the go. With a USB-C port, the SanDisk V3 is versatile and compatible with various devices. Its lightweight and compact nature allows for easy transport, making it perfect for both personal and professional use. Count on this external hard drive to deliver consistent performance while providing ample space for files, games, photos, and more.
