With an AMD Ryzen AI 5 quad-core processor delivering clock speeds up to 4.5 GHz and 16 GB of DDR5 RAM, the Lenovo ThinkPad L16 Gen 3 handles multitasking seamlessly. The SSD storage of 512 GB ensures quick access to files and applications while also supporting TCG Opal Encryption 2 for security. An extensive array of connectivity options, including multiple USB-C ports, Thunderbolt 4, and HDMI, make it easy to connect to peripherals and external displays, while the ThinkShield cybersecurity package provides comprehensive protection against threats.
