Elevate your performance

The Galaxy Watch Ultra Marine Band is crafted to meet the performance standards of the new Galaxy Watch Ultra. Designed for water swimming, its titanium buckle is light and durable. With a wide ripple design for easy water drainage and quick sweat drying, you can easily conquer water activities without worries.

Fit for comfort. Fit for durability.
The Galaxy Watch Ultra Marine Band features a lugless design that seamlessly blends with the watch body, ensuring a sleek look and a snug fit, especially during intense activities. Switching and customsing bands is simple with the one-click button on the watch body, eliminating any complex steps.
