EAN: 6971690793661

Product Code: 1177805

R5,043

Create Seamless and Everywhere Wi-Fi

Easily Set Up the First Unit with Cudy App

Pick one Mesh unit and set it up on your phone via the Cudy App. The elegant cylinder design compliments your home in any style.

Power Up the Remaining Units for More Coverage

Mesh units in one package are pre-paired. Power on the remaining units between the first unit and Wi-Fi dead zones — they'll form a seamless network once powered up.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Super-Fast Roaming in Milliseconds

Create same-name Wi-Fi coverage throughout your home. The auto Wi-Fi switching is so fast that your gaming and streaming stay responsive while moving between Wi-Fi zones.

Parental Control

Set Wi-Fi time schedules and block inappropriate websites to protect your loved ones. You can create custom profiles to easily manage multiple devices.
