Product Code: 1177837

R1,611

With the high-speed SanDisk Ultra USB 3.0 Flash Drive you can transfer up to ten times faster than standard USB 2.0 drives. Transfer a full-length movie in less than 40 seconds - so you spend less time waiting, more doing. You can generously share your favorite media while keeping your private files private with password protection through SanDisk SecureAccess software.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
