

SANDISK iXpand Phone Drive USB Type-C Metallic Sky 64GB

Model: SDIXD0N-064G-GN6NN

Manufacturer: SANDISK

EAN: 619659211844

Product Code: 1178107

R1,879

The SanDisk Phone Drive offers a convenient solution for storing and transferring data with its dual interface, compatible with USB-C and Apple Lightning devices. This compact USB flash drive boasts a storage capacity of 64 GB, allowing for ample space to keep important files, photos, and videos. With a read rate of 90 MB/s and a write rate of 10 MB/s, swift data transfer is ensured, making it a practical choice for on-the-go users.

In addition to its functional design, this drive includes features such as password protection to secure your data and a key ring loop for easy access. Operating efficiently in a temperature range from 0°C to 45°C, it meets diverse environmental needs while providing versatility for various devices. The SanDisk Phone Drive is designed to be an accessory for anyone needing reliable storage solutions.
