

SANDISK Ultra Slider USB Type- C Flash Drive 1TB USB 3.2 Gen 1 Performance with a Retractable Connector

Model: SDCZ480-1T00-G46

Manufacturer: SANDISK

EAN: 619659208547

Product Code: 1178111

R7,079

The SanDisk Ultra Slider is a high-performance USB flash drive designed to meet the needs of users who demand speed and portability. Featuring a USB-C 3.2 Gen 1 interface, it offers fast data transfer speeds, making it ideal for transferring large files quickly and efficiently. The drive's innovative retractable connector protects the interface and makes it easy to use, eliminating the need for a protective cap. With its durable design, it can operate in temperatures ranging from 0 °C to 45 °C, ensuring your data is safe in various conditions. Additionally, the inclusion of a key ring loop allows for easy attachment to keys or bags, ensuring your important files are always within reach. Whether you're a professional on-the-move or a student in need of reliable storage, the SanDisk Ultra Slider is
