

SANDISK Extreme pro Dual Drive 1TB Metal Dual Drive 1000/900MB/s USB TypeC + T

Model: SDDDE1-1T00-G46

Manufacturer: SANDISK

EAN: 619659204945

Product Code: 1178130

R7,641

The SanDisk Extreme PRO Dual Drive offers a robust and versatile storage solution for users needing reliable data transfers. With a storage capacity of 1 TB, this USB flash drive can accommodate a variety of files, ensuring easy access to essential data wherever needed. The USB-C 3.2 Gen 2 interface ensures read speeds of 1000 MB/s and write speeds of 900 MB/s, providing efficiency for transferring large files in no time.

Designed for convenience, this flash drive features a swivel design that protects the USB connector while also incorporating a key ring loop for attachment to keychains or bags. With an operating temperature range of 0°C to 45°C, this drive remains reliable under different environmental conditions. The 128-bit AES encryption algorithm adds a layer of security for personal and sensitive files, making it an ideal choice for secure storage on the go.
